Risk	Controls to consider (delete or detail as appropriate to your location and event)	Additional information	Action by whom?	Completed – date and name
<b>Aerosol or droplet transmission of Covid-19</b>	Increase ventilation in your building: natural ventilation by opening doors, windows and vents or mechanical ventilation if appropriate/necessary.	<p>The West Door will be used for entry and exit – this is the only entry not involving steps.</p> <p><u>During Warm weather</u> – both doors will be propped open (they will wedge open without the need for support) – both wooden doors and one glass door (right hand door facing the altar and open towards the main body of the church) will be open</p> <p><u>If wet and during winter</u></p> <p>The outer wooden door with the bolts will be closed to reduce the flow of the rain and cold air in. The other door may be closed once the service has started so to keep the heat inside the church. The glass door will remain closed, and the duty warden will open and close the door when people want to enter in</p> <p>At the end of the service, the glass door and outer door will be propped open by the duty warden</p>	PCC	
	Use outdoor spaces if appropriate and available.		PCC	
	Request or consider requiring people to wear a face covering, unless exempt, when inside the building.	<p>The congregation will be free to decide whether they wear a face covering or not.</p> <p>We will ask face covering wearers to sit on the left side of the church, and those not wearing face coverings to sit on the right side of the church.</p> <p>The duty warden and sidesperson will direct</p>	PCC

		people accordingly		
	Put in place measures to reduce contact between people	See above regarding face coverings. <del>The one household signage will be removed from the pews, but the pews that were not in use will remain in place to maintain some social distancing.</del>	PCC	
	If practical in your building, choose one point of entry into the church to manage flow of people and indicate this with notices, keeping emergency exits available at all times.	The West door will remain the point of entry and exit	PCC	
<b>Surface transmission of Covid-19</b>	Provide adequate hand cleansing stations. Provide hand sanitiser for the occasions when people can't wash their hands.	Hand Sanitizer will still be available on the hymn trolley and by the north door Hand sanitizer will also be available in the appropriate places for weddings, funerals and baptisms	PCC	
	Identify where you can reduce the contact of other people with surfaces.	See above regarding ventilation Single sheet Order of service will continue to be used. People will be asked to sanitize their hands before picking up the service sheets and weekly notice sheets, and asked to take them home with them. A few Bibles and Hymn books are now available in the Hymn Trolley	PCC	22 <sup>nd</sup> Oct 2021
	Good hygiene and cleaning of the building.	The church will need to be cleaned regularly – there is now a cleaning team in place	PCC	22 <sup>nd</sup> Oct 2021

		The pews will not be cleaned in between services, but there will be cleaning materials and blue towels available for those who wish to clean where they will be sitting.		
	Consider hygiene around shared items such as Bibles, prayer and hymn books that are used by multiple people.	The other Bibles and prayer books will remain in the Lady Chapel, cordoned off. The hymn books will remain pushed against the back pew Pew cushions and kneelers will remain in the Priest Room There are a few kneelers available within the church	PCC	22 <sup>nd</sup> Oct 2021
	Cordon off or remove from public access any devotional objects or items (if they are liable to be touched or closely breathed on).	The items that will not be used will remain cordoned off in the Lady Chapel. These are set back away from the area where the children will be having their activities	PCC	
	<del>Put in place a cleaning rota/system for children's materials and toys, and consider providing cleaning materials for these if safe to do so (keeping all such materials out of the reach of children).</del>	<del>Hand sanitizer and cleaning material will be available in the Lady Chapel for those to wipe down any toys are used. These materials will be kept out of reach of the children – to be left on tombstone</del>	PCC	
	Where there are toilet facilities, ensure an adequate supply of soap and disposable hand towels, and a bin for towels, are available.	All toilets are available. Hand sanitizer and cleaning materials will be available in the toilets Users will be required to wipe down any touched surfaces over before and after use – this includes the taps, sink, toilet pan and flush. All children (13 and under) must be accompanied	PCC	22 <sup>nd</sup> Oct 2021

		by their parent/guardian to assist with the cleaning There will be a notice explaining this.		
	Ensure all waste receptacles have disposable liners (e.g. polythene bin bags) to reduce the risk to those responsible for removing them.	All bins need to be emptied after the services on that day – including those in the toilet area	PCC	
<b>Visitors are unclear on requirements for attending church or visiting the building for other purposes, or anxious about attending.</b>	Display an NHS Track and Trace QR code, with an alternative option for those who cannot use that system. Encourage visitors to use one or other of these options.	The NHS Track and Trace QR code will be displayed on the glass door. There will be no other option provided. It will be up to the congregation as to whether they use the QR code.	PCC	
	Update your website, Weekly Notice Sheet, and Facebook with information for visitors. Communicate details on requirements or requests such as bringing a face covering and options for those who may be anxious.	The Weekly Notice will be distributed to those on the Daily Message mailing list. This Risk Assessment and information regarding Livestreaming/Recording will be available on the website	PCC	
	Provide welcoming notices that outline safety measures.	All irrelevant posters on display on the glass door will be removed A new welcome notice will be displayed	Parish Administrator	
<b>Cleaning the church after known exposure to someone with Coronavirus symptoms</b>	If possible close the church building for 48 hours with no access permitted.		PCC	
	If 48-hour closure is not possible then follow Public Health England guidance on cleaning in non-healthcare settings.	See Public England guidance – summarized below Use normal household disinfectant to reduce the risk of passing the infection onto others. Wear disposable or washing up gloves and aprons for cleaning; After use, then double bag these items and secure	PCC
